PINK HOUSE

Housing and RealEstate
Since 2006

Pink House Management was established in 2006 and inspired by our first construction project; *Pink House apartment*, located in Githurai estate. We have since then grown to a real estate management with a variety of properties located in over 4 Counties. Today, our business provides a unique set of services to Property Owners which guarantees our clients a clear and responsive understanding of the health of their real estate asset.

VISION

To meticulously provide shelter for people and businesses, to enable the ultimate human experience.

MISSION

To be recognized as the most reliable, consumer oriented, commercial and residential real estate company nationwide.

BUSINESS PHILOSOPHY

Integrity & Excellence in performance

SERVICES

Management of commercial and residential spaces has been Pink House's strongest business model over the years. We currently have over 35 buildings under our care. In basic sense, when we are charged with the oversight of a building, as a team, we dedicate effort and resources to keeping up to date with the state of the premises under our care. This helps us have a comprehensive idea of, the vacant spaces in need of occupation, premises in need of repair services and Security and Sanitary conditions of a building.
